

*Have you been helped by **The First Response Service** or **The Sanctuary** or **IAPT (Counselling)** or **PRISM (Mental Health service at the GP surgery)**?*

If so, this involvement opportunity may interest you. The CEO of NHS England Simon Stevens will be visiting Cambridge on Monday 14th of May in the afternoon. (yes it is short notice, I apologise) and we are looking for someone who would like to meet him and share their experience of how they were helped by any of the above services.

We will pay you £10 an hour for your time plus travel expenses. (keep the receipt) and support you throughout the experience. This is an opportunity for one person only and will have to be first come first served. However, we have lots more opportunities coming up, including a focus group to get your ideas about our rebrand, so if you are creative, keep an eye out for that one.

If you are interested in speaking with Simon Stevens please contact me on 07712 358172 or lois.sidney@sunnetwork.org.uk
I look forward to hearing from you.

Thanks

Lois
