

Recruiting now!

Are you:

- Good at speaking and listening to people?
- Passionate about people having a voice?
- Interested in improving health and social care services?
- Connected with community/service user groups?
- Able to travel within the East of England?

[Apply here
to become a
Patient & Public
Voice Partner](https://bit.ly/2EnwDK)

Or visit

2EnwDK](https://bit.ly/2EnwDK)

If so, why not join our new team of **Patient & Public Voice Partners?**

We are looking for friendly, non-judgemental people who can connect with their local community and service user groups in the East of England.

We will give you free training and support to run workshops to gather the views of community members on a range of health and social care issues. Their views will then be used to help to improve local services.

Once trained as a **Patient and Public Voice Partner, you will be reimbursed for your time and expenses.**

Our Ask of You is to:

- Attend all training days: 1st, 2nd and 12th April, 2019, 9.30am-4.30pm (expenses will be paid).
- Commit to up to 10 days

of active work (initially until January 2020)

- Become a member of the **East of England Citizens' Senate** (a hub for Patient & Public Voice). Visit their website EoECitizensSenate.org.

To apply, please submit your expression of interest online by midnight on **12 March**. To access the online application form or if you have any queries, please email ppv@eahsn.org

Please note, we have a very limited number of spaces and are only able to contact those who will be offered an informal phone interview. All applicants are welcome to become a member of the EoECitizensSenate.org.
