Priority given to those with health conditions

# SELLING YOUR WORK

This 8-week course could help you work out all the details, whether you just want to sell a few pieces or take the first steps in turning your art into a business.

The course will cover:

- What you want to achieve and how you can achieve it
- Where to sell and how to go about it
- Pricing your work
- What records you need to keep and why
- The rules about earning if you are claiming benefits

Suitable for artists photographers and crafters
